Partnering with Bebop & RELX

Date: Saturday, 6 December 2025

Time: 18:00 - 24:00 WIB

Location: Padelton, Jakarta Barat

We know everyone's all about padel. They come, play, network. To celebrate the end of year, Carita Nara wants to bring this experience to the next level.

Introducing TropiCourt – where the court turns to a social playground. It's more than just padel and networking; it's about bringing back the fun of meeting new people through social mingling games, both on and off the court.

Think tropical holiday atmosphere, curated social scavenger hunts, in collaboration with Bebop, and padel games to keep people connected – with friends, new faces, and the wider padel community.

Whether you're joining as a player, partner, or creator, TropiCourt is where stories are made, friendships are formed, and experiences go beyond the game.
