

Guest technology, built for beautiful wedding.

Make every guest experience effortless

Eventory partners with wedding organizers to simplify guest management.

From digital invitations and RSVP tracking to guest support and on-site QR check-in, we streamline every touchpoint allowing your team to focus on creating exceptional celebrations.

What We Can Offers

Guest Assistant Solution

MAIN FEATURE

24/7 WhatsApp assistant that sends invitations, collects RSVPs, and answers guest questions, keeping your team stress-free.

Guest Management Tools

Drag-and-drop seat mapping with instant updates, so every guest is seated correctly.

QR Check-in

Fast, secure check-in with live attendance, gift verification, and VIP identification. No queues, no missed guests.

Why partner with eventory?

Corporate

The Seamless Workflow

eventory[✦]

① Guest List Setup

Fill in your guest list using smart Google Sheets template prepared by Eventory.

② RSVP Setup

Customize your RSVP flow with interactive questions and establish guest validation rules.

③ Trial

Preview the complete invitation and RSVP journey by sending test invitations to organizers and family members.

④ Invitation Blast

Launch personalized WhatsApp invitations to your entire guest list automatically.

⑤ Smart Fallback

If an invitation can't be delivered, Eventory automatically sends a clean text backup message to ensure no guest is missed.

⑥ ^{Up To} 3 Reminders

Automatically follow up with guests based on the RSVP questions they haven't completed.

⑦ Manual Confirmation

Our dedicated admin team personally follows up with guests who still haven't responded.

⑧ Event Reminder

Send a final reminder 3-7 days before the event, complete with QR check-in codes and venue directions.

Premium Integrated Features

Personalized Guest Setting

Customize RSVP questions and guest journeys for every guest group.

Real-Time RSVP Dashboard

Monitor invitation delivery and RSVP confirmations in real time.

Live Guest Management

Update attendance status, guest details, and responses anytime.

Instant Invitation Resends

Resend invitations instantly to individual guests or your entire guest list.

Digital Event Website

Responsive event website where guests can RSVP, explore event details, galleries, send wishes and access your gift registry.

Smart Follow-Up Center

Send personalized reminders, announcements, and post-RSVP messages with ease.

Why Choose eventory[✦]

Seating arrangement canvas

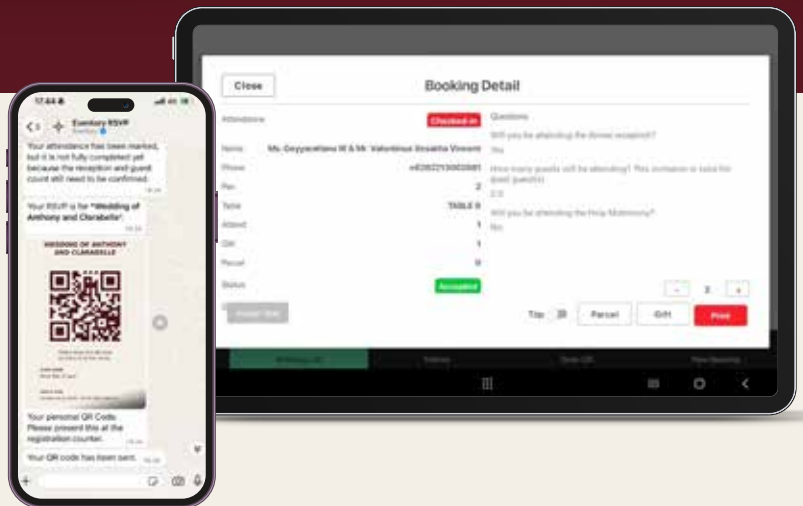

Visually arrange guests with a simple drag-and-drop seating canvas. Easily organize tables, accommodate last-minute changes, and optimize seating in minutes.
