Desired KOL

For Breast Augmentation and Rhinoplasty : female No transgender

We are seeking well-known celebrities such as movie and TV stars, singers, or beauty queens who have won crowns. We are looking for individuals who are already famous with beautiful appearances.

No follower count requirement – just someone well-known, recognizable when mentioned, beautiful with good looks, true to their photos, and glamorous.

For Liposuction : female No transgender

We are focusing on influencers with a BMI under 25.

No follower count requirement – just someone well-known, recognizable when mentioned, beautiful with good looks, true to their photos, and glamorous, Not overly heavy.

The clinic will cover round-trip airfare for 2 people, as well as hotel accommodation (1 room) for the entire duration of the surgery process.

Desired KOL

Length of Stay in Thailand :

- Liposuction: 9 days
- Rhinoplasty: 9–12 days
- Breast Augmentation: 3–4 days

After the procedure, follow-up via video call with the doctor is required to monitor recovery and prevent complications at 1 month / 3 months / 6 months post-surgery.

If you return to the clinic in person, video calls are not necessary.

If another visit to see the doctor in person is required – possibly at 1, 3, or 6 months, depending on the doctor – please provide a separate quote for this.

We will cover round-trip airfare for 2 people and hotel accommodation (1 room) for the entire duration of the surgery.

Liposuction
