Talking Points

KOL Brief

MANDATORY

- CTA: Download Growin' App on App Store / Google Play
- Ending: Growin' You!
- Mention: @mandiri_sekuritas (Instagram) and/or @mandirisekuritas (TikTok)
- Hashtag: #GrowinYou
- Post Schedule: 9 January 2025

#1 Story Route: Unboxing Growin' App

CONTENT DIRECTION

Open With Curiosity: Start by mentioning how you've been looking for tools to make investing more accessible and organized. Introduce the Growin' App as the latest innovation from Mandiri Sekuritas.

Feature Deep Dive:

- Explore the app's features—what stands out to you?
- Showcase the seamless user interface, quick account setup, and easy portfolio tracking.
- Highlight the key messages (slide 10)

Discuss Value: Emphasize how this app helps simplify investing for everyone, including those new to capital market.

Importance of Investing:

- Share your take on why investing is essential, especially in today's uncertain economy.
- Mention how Growin' App promotes **financial inclusion** (keuangan inklusif) by making investments more accessible.

CTA: Encourage your audience to explore the app and start investing for their future.

Tone: Informative yet approachable—position yourself as a trusted resource.

#2 Story Route: Investing as a Lifestyle

CONTENT DIRECTION

Start Personal: Share a snippet of your life—whether it’s traveling, a cozy “slow-living” morning routine, or achieving a big milestone. Mention how **investing plays a key role** in enabling this lifestyle.

Why Investing Matters:

- Discuss how financial planning is as important as choosing a healthy lifestyle.
- Mention how inflation and financial uncertainty highlight the need for investing.

Introduce Growin’ App: Present it as a modern, easy-to-use trading platform that aligns perfectly with a busy lifestyle. Highlight the key messages (slide 10)

Encourage the Audience: Talk about how embracing investment as part of your lifestyle can help anyone achieve their dreams, step by step.

End with Reflection: Inspire viewers to start their investment journey today with the right tools, like Growin’ App.

CTA: Encourage your audience to explore the app and start investing for their future.

Tone: Aspirational, relatable, and motivational—feel like you’re having a conversation with a friend.

Key Message
