Introduction: Killing the Pain

Feeling stuck in a career that's no longer fulfilling, or struggling with financial limitations that make it hard to get ahead? It's time to take control and become the CEO of your own life. *(Here, you can insert any pain point that resonates with your audience.)* Forex trading offers a path to financial freedom, allowing you to create your own schedule and integrate it with your current job. Ready for a change? Our sponsor today might be just what you need: Finex. (logo)

Highlight 1: Trust and Regulation

Finex is a Pialang Berjangka with 12 years of experience in the Indonesian market, operating under the strict regulations of Bappebti, License 47/BAPPEBTI/SI/04/2013 (never show bappebti logo). With a local office in South Jakarta, Finex ensures the highest level of trust and security, offering segregated accounts to protect your funds.

Highlight 2: Comprehensive Trading Options & Speed

Whether you're new to trading or an experienced pro, Finex has you covered with a wide range of assets to trade. From Forex pairs to global indices, shares from major stock exchanges, metals like gold and silver, and even energies like crude oil – there are 78 assets in total, giving you plenty of opportunities to grow your portfolio. Now, take your trading to the next level with the Finex Trading app, available on Android and iOS. Enjoy lightning-fast order execution (99.57% of orders are executed in less than a second), and deposit and withdraw your funds with ease – deposits are processed in as little as 1 minute, and withdrawals take just 20 minutes on average. With spreads starting from just 0.5 pips, a minimum deposit of only Rp100,000, and no hidden fees, Finex offers a seamless trading experience wherever you are.

- Convenient charts of three types with the ability to add indicators for technical analysis
- There is a demo account with full functionality of the real one and a balance of \$10K
- Favorable tariff
- There is Swap Free
- No commission for deposit/withdrawal
- Integration with big local banks: deposits/withdrawals are done through them
- Fast deposits and withdrawals
- Easy registration by phone number, confirmation via WhatsApp
- Leverage available up to 1:500 (depends on the instrument)
- 24/7 support via Live Chat

Do's and don'ts

- Tag [@finex_forex](#)

- Add the **link** and QR-code (only YT) that we will send you in your contents.

(Please add QR-code and CTA in text format as well)

- Show the app's interface from your phone or laptop.

- Preferred phrases: *financial instrument, user-friendly app, trading platform app.*

- Warn your audience of the risks: derivative transactions are high risk and high return transactions

- Don't mention that trading is easy or will guarantee income.

- Don't use bad words.

- Don't use words like *win, game* (and derivatives), *easy money, simple.*

- Don't compare trading to online gaming. - Don't mention other investment apps.

- Don't show other brands.

- Don't add the link in formats such as Reels, where it can't be clicked.
